

# Schedule of Benefits

## Harvard Pilgrim Health Care, Inc.

### Standard Platinum - Flex

### MASSACHUSETTS

This Schedule of Benefits states any Benefit Limits and the Member Cost Sharing amounts that you must pay for Covered Benefits. However, it is only a summary of your benefits. Please see your Benefit Handbook for details. Your Member Cost Sharing may include a Deductible, Coinsurance, and Copayments. Please see the tables below for details.

In a Medical Emergency, you should go to the nearest emergency facility or call 911 or other local emergency access number. A Referral from your PCP is not needed. Your emergency room Member Cost Sharing is listed in the tables below.

#### **Medical Necessity Guidelines**

We use clinical review criteria to evaluate whether certain services or procedures are Medically Necessary for a Member's care. Members or their practitioners may obtain a copy of our Medical Necessity Guidelines on our website at [www.harvardpilgrim.org](http://www.harvardpilgrim.org) or by calling the Member Services Department at **1-888-333-4742** if you are covered under an Employer Group plan or **1-877-907-4742** if you are covered under an Individual Member plan.

#### **Flex Providers**

This Plan includes Flex Providers. A Flex Provider is a Plan Provider who provides certain outpatient services with lower Member Cost Sharing. When you receive these Covered Benefits from a Flex Provider you will pay a lower Member Cost Sharing amount than if you received the same Covered Benefit from a provider that is not listed as a Flex Provider. The table below identifies the outpatient services which may be obtained from a Flex Provider and the applicable Member Cost Sharing.

The Plan's Provider Directory lists all Plan Providers including those providers listed as a Flex Provider. You can access the Provider Directory at [www.harvardpilgrim.org](http://www.harvardpilgrim.org). You may also obtain a paper copy free of charge by calling the Member Services Department.

#### **Office Visit Cost Sharing Levels**

Office visit cost sharing may include Copayments, Coinsurance, or Deductible amounts, as described throughout this Schedule of Benefits. There are two types of office visit cost sharing that apply to your Plan: a lower cost sharing, known as "Level 1," and a higher cost sharing known as "Level 2."

Level 1 applies to covered outpatient professional services received from the following types of providers: all Primary Care Providers (PCPs); obstetricians and gynecologists; Licensed Mental Health Professionals; certified nurse midwives; and nurse practitioners who bill independently.

Level 2 applies to covered outpatient professional services received from specialty care providers.

Your Plan may have other cost sharing amounts. Please see the benefit table below for specific cost sharing requirements.

#### **Covered Benefits**

Your Covered Benefits are administered on a Plan Year basis. If you are covered under an Individual Member Plan, your Plan Year begins on January 1. If you are covered under an Employer Group Plan, your Plan Year begins on your Employer's Anniversary Date. Please see your Benefit Handbook for more details. If you do not know your Employer's Anniversary Date,

please contact your Employer's benefits office or call the Member Services Department at **1-888-333-4742**.

Your Member Cost Sharing will depend upon the type of service provided and the location the service is provided in, as listed in this Schedule of Benefits. For example, for services provided in a physician's office, see "Physician and Other Professional Office Visits." For services provided in a hospital emergency room, see "Emergency Room Care." For inpatient hospital care, see "Hospital – Inpatient Services," and for outpatient surgical procedures, please see "Surgery - Outpatient."

When you receive a service at your home (other than home health care), your Member Cost Sharing will be the same as when the service is provided in an office or facility. For example, if you have a physician visit in your home, see "Physician and Other Professional Office Visits." If you have blood drawn at home, see "Laboratory, Radiology and Other Diagnostic Services."
